ANNOUNCING

The Bachelor of Arts in Education

This New Bachelor's Degree Program Started in Fall 2003

- ▶ Specialize in elementary education (51 credits) or secondary education (41 credits plus completion of a second major in a content area).
- ▶ Engage actively in "field experiences" in school classrooms as a part of every course.
- ▶ Develop the skills and knowledge to foster today's children to become tomorrow's leaders.

Interested students should enroll in EDCC 220 WY1 (4 credits) in the Fall; advising for the major will be provided by Dr. Dorr as the Teacher Education Advisor for undergraduates.
